## Crawfish Industry News

With supply increasing at the docks, significantly more crawfish vendors opened their doors this week. According to The Crawfish App, about 70% of vendors across the South are selling crawfish this weekend, with the rest expected to start after Mardi Gras.

*"His live crawfish business is equally popular, coming straight from the docks owned and operated by his family..."*

## Vendor Spotlight

For the past few years, we've had people tell us to drive down to Port Vincent, LA, and try the crawfish from Hole N Da Wall Seafood. We had high expectations and didn't think they could be met. Click below to find out if they were, and to learn more about Jacob and Lyndsi Landry's crawfish business.
